From the
Interim Rector

Tuesday morning, June 22, I was called to the bedside of Carol Woodeson in ICU at Erlanger. He had suffered a heart attack in the early hours of the morning and at his request had been removed from all life support. After the last prayers and anointing I talked with the family, remembering Carol's life and how he had meant so much to St. Martin's Parish. We reflected on the early days when the church was in its infancy and how the Woodeson family and many others had given their love and support to make our church what it is today. Because of their loyalty and servanthood throughout the years past, we have been give a wonderful gift with which we can serve our Lord and this community for many years to come.

May we always remember and be thankful for these great protectors of our faith and may God's riches blessing be upon you Carol, good and faithful servant.

Search Committee Update

The Search Committee has reached a turning point in our quest for a new rector. The Vestry has approved our Parish Profile and the Search Request Form has been submitted to the Diocese. This means that we are now receiving names to consider as candidates for our rector. If you have someone you would like add to the pool of candidates that we receive from the Diocese, please let us know. Rector Nomination Forms are now available, or you may email Cori Hasden at hasdens@aol.com. When submitting a name, please include the following information (if you can): current parish, address and telephone. Also tell us why you think the person would be a good rector for St. Martin's. **We will be receiving names through July 9** so please provide us with your nominations before that date. The Search Committee will then meet on July 12 to begin the screening process. Remember that this is a **confidential** process, and members of the committee will **NOT** be able to provide information about who is being considered for interviews. However, we will continue to keep you apprised of our progress in the process. Thank you for your input!

Laymen's Group

All men of the church are encouraged to attend. It is a great weekend of fellowship. We will pay the fee for first time attendees. For more information go to www.episcopalchurchmen.net
